

Anime Club Consent Form

Parent or Guardian,

Your teen has expressed interest in participating in Anime Club, a teen-based anime club hosted at your local public library. Anime Club will view materials with rating ranging from TV-PG to TV-14, which loosely correspond to the MPAA's ratings of PG and PG-13 respectively. However, it must be noted that anime and manga rating differ slightly from American ratings, and though cartoonish, this genre often contains instances of violence, sexual references, strong language, etc.

It is the goal of this club to allow members the right to suggest materials to be viewed, but prescreening and final viewing decisions will be made by library staff. Although titles will be reviewed and prescreened, it is ultimately the responsibility of each parent or guardian to determine what is or isn't appropriate for their child or legal ward.

If your child or legal ward is under 14 years of age, the library will allow him or her to participate in Anime Club once written consent has been provided (please see form below). Consent forms are kept on record for library purposes.

If you have any questions about Anime Club, materials selected for viewing, or this form, please contact:
